Summary

I am a passionate software developer who enjoys taking on challenges.
I started coding as a hobby and eventually turned it into a profession.
I have experience in both independent and team settings and enjoy exploring innovative solutions.
In my spare time, I enjoy working on projects to challenge myself, learn new things, and continuously improve my skills. You can check out my GitHub to see some of my projects.
I would love the opportunity to work with you.

Work Experience

Business Application Engineer II - 06/2021 to 07/2023
CDS, a Hewlett Packard Enterprise company, León (Spain)

- Promoted from Software Engineer to Software Engineer II In 02/2022
